

FRIDAY NIGHT MEAL DEAL

\$28.00

For the 4 home games, the Boosters are offering a meal deal for the students. While it is optional, and an additional cost, we strongly recommend that you take advantage of it. Otherwise students need to provide their own dinner, by bringing a sack lunch or having someone bring them a meal.

It is a one time charge, for all four meals....Pizza, chick fil a, Jason's deli, and then at the last game, there will be a special dinner for the seniors, and a separate fast food meal for the underclassmen. You may not pick and choose....it is a one time fee for all four meals, payable in full by August 25th. Please fill out and turn in the form below with your check or cash in an envelope.

The cost of meals and snacks for away games and contests *is* covered in your band fees.
