

# Magnolia High School Band Boosters

November 2007

## From Teresa, Band Booster President:

Marching season is coming to a close. Unbelievable at how quickly it has flown! This has been a great season! A huge thank you goes out to our directors for all they have done for and with our students. I would also like to extend my thanks to all the parents who have given endless hours to help in making this season as successful as it has been. While marching season is almost over, we certainly are not finished with the work to be done. We have Region tryouts around the corner, UIL Solo and Ensemble and concert season. The Christmas dinner/auction and concert will be here before we know it as well. I look forward to a slightly slower pace than marching season, but certainly look forward to working with you all in the tasks we have ahead in supporting our band. Please support the fundraisers both for your students' trip accounts, for the band booster account and for the MHS band account. I hope to see you at the next meeting!

*Teresa Voltz*

## Congratulations to the Band and Color Guard !!!!!!!

The Band and Color Guard as you may already know have done well this marching season. First award for the students was the bands' Excellent rating at the Galena Park Marching Contest. The Color Guard proved how outstanding they were by taking Best Performance Overall at the same event. This season also brought a First Division rating at UIL Marching Contest in Conroe. We all know the students were very happy about this. To close the competition season, the band took second place at the Sam Houston State University Marching Contest in their division. Thank you to Mr. Choate, Mr. Voltz, Mr. Gorrington, Mr. Maake, and Mr. Gilbreth. All of the Techs deserve recognition also. This would include Randill Jefferys, BJ Hughes, Jonathan Alvarado, Ashley Donaldson, Caitlin Dalton, Jeff Penalber, and Patrick Chappell. You have our deepest gratitude for working so hard with the students to win these awards. To the students, all of your parents, family, and friends are very proud of you. We look forward to even more great work this coming concert season.

## Thank You to Volunteers

There can never be enough appreciation for all the

volunteers who have given selflessly and cheerfully to help out at the concession stand, football games, and marching contests. Your support and assistance is greatly appreciated. To all the Band and Guard parents who miraculously appeared to work the Pit Crew at every event - - - thank you, thank you, thank you! This is one of the most critical jobs and you came through winningly. You all have busy schedules, but you managed to fit band activities in to support the band staff and the students. It's hard work sometimes but the "thank you" heard from the both the staff and the students makes it all worthwhile. So to Moms and Dads who volunteered we love you all for helping out.

The Band Boosters would like to once again thank Rick Naylor, father of Color Guard student Stacey Naylor. Rick was instrumental in arranging the installation of the ICEE machine in the concession stand. We all have

known this for awhile, but it bears further recognition because what you all haven't known is that the ICEE machine came to us free of charge and we don't pay for any of the supplies required to sell the product. In addition, the men from Rick's company who come out periodically to maintain or repair the machine do so at no charge to us; their time is volunteered. So, every bit

of income from the sale of ICEE is *pure profit* to the Band Booster organization. Thanks, Rick, for your support and tell your staff we appreciate their time and volunteer work.

The following is a list of students for whom there isn't a working parent e-mail address to which the Band Boosters can send important information. This is our only way of forwarding important items and last minute information from the Directors and Band Boosters. It isn't always easy to check the websites on a frequent basis, but if we can contact you we can help keep you "in the loop". If you find your students name in this list, please e-mail Grace Coffman at [grace.coffman@sbcglobal.net](mailto:grace.coffman@sbcglobal.net). In your e-mail give your student's name and the e-mail address you prefer we use. Thank you for your assistance in updating our records. If your students name is not on this list and you would like to update your e-mail anyway, please send the same information. Thank you for your help.
